

What is an objective camera??

Without commenting?

It's a bit like a surveillance camera that records everything that happens, **without commenting.**

Yes. You know, some people make loads of comments while they're watching TV...

VERSION WITHOUT COMMENTARY:

GREGORIO ENTERS THE ROOM AND SAYS: "HELLO, PERFECTA":

PERFECTA SMILES AND SAYS "HELLO".

And so... surveillance camera perspective:

I get home at about 5pm. Foxy is in front of the TV. I see one sock on the couch and another on a chair.
