

Wow! All that!

Yes, there are a lot!

But don't worry: all of these ingredients are already in your soil.

YOU JUST NEED TO ADD A BIT OF THIS OR THAT TO BALANCE YOUR INNER COMPOST

How can I know what I need to add to balance it?

You just have to ask yourself this magic question:

"What would you like to experience that you are not experiencing at the moment (with Foxy)?"

ORDER

OH!

The answer appeared all by itself in my inner sky!

Yes, sometimes it appears all by itself.

You can also use this list and your inner vision goggles.

How does that work?

You ask yourself the same question and if you are attracted to one or several words, it'll be because they're flashing you an answer.

OK!!!

Inner vision goggles!

What I'd like to experience that I am not experiencing at the moment, is...
